

THE 2011 BOULDER JCT. RECREATION PROGRAM

Welcome to all residents and visitors of the Boulder Junction **area**. Here we are again, another great summer season in the Northwoods. Again this year we invite your youngsters, ages 5 - 13, to attend our summer program. The following is a little preview of what this summer's program will include.

Kids Ball and T Ball age boys and girls will be instructed on some mornings, from 9:00 to 10:30 on the basics of baseball. It is not to replace normal practices but we hope it will add to the children's fun and learning experiences. After practices, we will do special events and activities that they are welcome to stay and participate in for the rest of the day. The swimming program will be on various days this year from 11:00 am to 3:00pm. As you will notice, the lessons are given at different beaches on different days. Please be sure to check the schedule so you know where we will be on each day.

It is very important that parents look at the schedule each morning to find out what we are doing for the day, the costs of the events, and the times we are leaving and returning. Please note that we have a Daily Fee this year to help keep the Boulder Rec. Program program running. (Please send CASH for the Daily Fee, NO Checks) Also, many of our rain day activities cost money, so, *if it looks like rain or if its cold outside, make sure your child has money* for that event. Usually, if it looks like rain we will put an alternative schedule and costs on a board in the front window of the bus for you to see when you drive into the parking lot. If you have any questions or helpful comments, please, don't hesitate to call us.

Again, **CHECK THE SCHEDULE ON THE BOARD DAILY FOR COSTS, TIMES AND ANY CHANGES.**

If there is a need to contact us, you can leave a message at the community building (385-2220) and we will get back to you as soon as we can. We hope you're able to come and have some fun with us for at least a few days this summer! Thank you for supporting your program!

All children must register in the community building on the form provided Thanks!!!

The Roeder's.
