

Town of Boulder Junction

SUMMER REC PROGRAM - 2016

Hello to all **residents and visitors** of the Boulder Junction area. We are happy to be bringing the Summer Rec Program back for the summer of 2016. The following is a schedule to what this year's program will include.

My name is **Lanette "Lani" Nelson** and I am excited to be the new Summer Recreation Program Director. I, myself, grew up in Boulder Junction and attended the Rec Program, and know the importance of the program. My two teenage children and myself will staff the program. I am an elementary school teacher with coaching and after school program experience. Both of my children are certified Life Guards with guarding and swim instructor experience as well as being a student athlete themselves. In addition, we all have CPR and First Aid training and are looking forward to working with the area children. Again this year we invite your **youngsters, ages 6 to 13**, to attend the summer program. The following is a preview of what this year's program will include.

Kids Ball and T Ball age boys and girls will be instructed on some mornings, on the basics of baseball. It is not to replace normal practices but we hope it will add to the children's fun and learning experiences. After practices, we will do special events and activities that we would like them to stay and participate in for the rest of the day. The swimming program will be on various days again this year and as you will notice, the lessons are given at different beaches on different days. We are hoping that the water temp will rise quickly in order to get lessons in as soon as possible. Please be sure to check the schedule so you know where we will be on each day.

It is very important that parents look at the schedule each morning to find out what we are doing for the day, the costs of the events, and the times we are leaving and returning, and if anything special should be packed for the day.

Please note that we have a Daily Fee to help keep the Boulder Rec. Program running. (Please send CASH for the Daily Fee, NO CHECKS) Also, many of our rain day activities cost money, so, if it looks like rain or if it's cold outside, make sure your child has money for that event. Usually, if it looks like rain we will put an alternative schedule and costs on a board in the entry of the Community Building. If you have any questions or helpful comments, please, don't hesitate to call us.

This year we will run the program for six weeks. Again,

CHECK THE SCHEDULE DAILY FOR COSTS, TIMES AND ANY CHANGES. Also the children need to bring their own lunch and a water bottle daily, unless noted lunch is provided. Don't forget sunscreen.

If there is a need to contact us, you can leave a message at the community building (385-2220) and we will get back to you as soon as we can. We hope you're able to come and have some fun with us for at least a few days this summer!

Thank you for supporting your program!

All children must register in the community building and complete the consent form provided on the following page prior to attending the program.

Thanks,

The Nelsons

REGISTRATION FORM

Personal Information

BOULDER JUNCTION:

☐

Resident or Taxpayer

☐

Non-Resident

Parent or Guardian _____

Fire No. & Street Address _____ City _____ State _____ Zip _____
(No PO boxes please!)
