

TOWN ROAD IMPROVEMENT PROJECT UPDATE

The vote on the Town Road Improvement Project, scheduled to be completed during the September 12, 2017 Special Meeting of the Electors has been changed from an approval vote to an advisory vote.

The reason for the change is the approval of the tax levy above and beyond the legal limit can only occur as part of the approval of the annual budget during the regularly scheduled annual budget hearing and special meeting of the Electors, date to be determined.

The Town Board has decided to keep it on the agenda for the September 12, 2017 meeting as an advisory vote in order to give the Electors one more chance to provide input as to the planned direction of the Road Improvement Project and to get answers to any outstanding questions the Electors may have.
