2019 Town Road Improvement Project Contract Recommendation

On Friday, March 29th, the Town Road Improvement Project Committee officially opened the sealed bids submitted for the rock crushing work planned for 2019 from five companies. They were as follows:.

Contractor	Price per yd. or ton	Amount	Amount of yards or tons	COI
Northeast Asphalt, Inc.	\$5.38 per yd.	\$242,100	45,000 yards	
Mertens Sand & Gravel LLC	\$3.55 per ton	67,500 x \$3.55 = \$239,625	45,00 yards or 67,500 tons	
Antczak Aggregate	\$3.69 per yd.	\$166,050	45,000 yards	
Golat & Engel Custom Gravel	\$3.30 per yd.	\$148,500	45,000 yards	
Pitlik & Wick	\$5.35 per yd.	\$240,750	45,000 yards	

The town road improvement project committee recommends to the town board to accept the bid from Golat & Engel Custom Gravel for gravel crushing in the amount of \$3.30 per yard with the total amount of \$148,500 contingent on appropriate documentation of insurance and eligible starting dates.

Respectfully submitted on behalf of the Town Road Improvement Project Committee,

Greg Van Grinsven
